

HENDRYK KEMPSKI

JUNE 19, 1951.—Committed to the Committee of the Whole House and ordered to be printed

Mr. GOSSETT, from the Committee on the Judiciary, submitted the following

REPORT

[To accompany H. R. 579]

The Committee on the Judiciary, to whom was referred the bill (H. R. 579) for the relief of Hendryk Kempiski, having considered the same, report favorably thereon with amendment and recommend that the bill do pass.

The amendment is as follows:

Strike out all after the enacting clause and insert in lieu thereof the following:

That for the purposes of the immigration and naturalization laws, Hendryk Kempiski shall be held and considered to have been lawfully admitted to the United States for permanent residence as of the date of the enactment of this Act, upon the payment of the required visa fee and head tax. Upon the granting of permanent residence to such alien as provided for in this Act, the Secretary of State shall instruct the proper quota officer to deduct one number from the number of displaced persons who shall be granted the status of permanent residence pursuant to section 4 of the Displaced Persons Act, as amended (62 Stat. 1011; 64 Stat. 219; 50 U. S. C. App. 1953).

PURPOSE OF THE BILL

The purpose of this bill, as amended, is to grant permanent residence to a citizen and native of Poland, a political refugee. The bill also provides for the payment of the required visa fee and head tax and for the appropriate quota deduction.

GENERAL INFORMATION

The pertinent facts in this case are set forth in a letter, dated September 18, 1950, from the Deputy Attorney General to the chairman of the Committee on the Judiciary, regarding a bill (H. R. 6988) pend-

ing in the Eighty-first Congress for the relief of the same person. The said letter reads as follows:

SEPTEMBER 18, 1950.

Hon. EMANUEL CELLER,
Chairman, Committee on the Judiciary,
House of Representatives, Washington, D. C.

MY DEAR MR. CHAIRMAN: This is in response to your request for the views of the Department of Justice concerning the bill (H. R. 6988) for the relief of Hendryk Kempksi.

The bill would provide that Hendryk Kempksi, who arrived at the port of New York, N. Y., June 4, 1949, shall, upon the payment of the required head tax, be considered to have been lawfully admitted to the United States. The bill would also direct the Secretary of State to instruct the proper quota-control officer to deduct one number from the appropriate quota.

The files of the Immigration and Naturalization Service of this Department disclose that the alien is a native and citizen of Poland, having been born in Posnan, Poland on June 8, 1924. He was last admitted to the United States on June 8, 1949, at New York, as a temporary visitor for approximately 5 months, upon the posting of a \$500 departure bond. He failed to depart and on January 3, 1950 a warrant of arrest was issued on the ground that after admission as a visitor, he had remained in the United States for a longer time than permitted under the Immigration Act of May 1924.

The alien testified that he had been forcibly taken from his home in Poland in 1941 by the Germans, and transported to Berlin, where he was a forced laborer until April 1945, at which time he was freed by the Russians. He returned to Poland, and has testified that he joined the Polish underground. He also stated that in February 1947 he was approached by agents of the Polish Communist Party and asked to attend a school for indoctrination in Communist theories; that he refused the offer and fled from Poland to Norway where he remained until May 1949.

The quota of Poland, to which Mr. Kempksi is chargeable is oversubscribed, and an immigration visa is not readily obtainable. The record presents no facts, however, which would justify granting him a preference over other aliens chargeable to the same quota.

Accordingly, the Department of Justice is unable to recommend enactment of the bill.

Yours sincerely,

PEYTON FORD,
Deputy Attorney General.

Mr. Auchincloss, the author of this bill, urged the enactment of his measure and submitted the following documents to the committee:

AFFIDAVIT OF HENDRYK KEMPSKI

STATE OF NEW JERSEY,
County of Middlesex, ss:

Hendryk Kempksi, of full age, being duly sworn according to law, upon his oath deposes and says:

1. I was born on the 8th day of April 1924, at Poznan, Poland. My father's name is Wladyslaw Kempksi and he was a postal clerk until the year 1934, when he retired. My mother's name is Anastazja, her maiden name being Grabowski and she is of Polish descent and a Roman Catholic.

2. One year after my birth, my parents moved to Wielien nad Notecia, which is located near Poznan, at which place they resided until the outbreak of the war in 1939.

3. At the outbreak of the war, I had finished the second class of "Gymnasium" with an excellent scholastic standing at Czarnkowie nad Notecia. I worked on a farm until the year 1941. On June 16, 1941, I was sent to Berlin for forced labor, which labor consisted of the removal of unexploded bombs and shells. I performed this work until April 22, 1945, at which time the Russian front formed around Berlin.

4. While attempting to escape to the American lines, I stumbled into Russian territory. Upon encountering the Russians, I showed them my identification and was immediately scheduled for the firing squad. My life was spared because of a sympathetic Russian officer. After 4 weeks of forced marches, I returned home

to Poland on the 20th day of May 1945. I remained at home with my parents for 3 weeks and shortly thereafter I received orders to report for army duty at a tank school in Charkov, Russia.

5. I refused to comply with the orders to enter the Russian Army, but joined the underground forces in the forests of Czarkova. These forces functioned in the areas of Zieliniec, Dwiejce, Pilka, and Kamienik. As soon as the Warsaw regime was recognized with Stanislaw Mikolajczyk as Vice Premier, the underground forces took advantage of the offered amnesty and laid down their arms. Immediately there were many arrests and executions.

6. As soon as the underground forces laid down their arms, I returned home to my parents and shortly thereafter I received an offer from the president of the Communist Party to become an officer in the Security Police. I informed the party that I would think it over, but not desiring to be affiliated with such a group, I immediately left for Szczecin without proper authority. At Szczecin I was first employed as a postal clerk and later as a bank clerk. I then became a member of Mikolajczyk's Peasant Party and performed secretive work.

7. During the year 1946, I worked constantly against the Communist Party and in the early part of 1947 the Communist Party tried to force me and other workers to become members of their party under a penalty of loss of employment. I refused to become a member and when mass arrests became common, after Mikolajczyk's escape from Poland and upon being advised of the danger involved, I escaped from Poland on January 24, 1948, by means of a Norwegian ship. As soon as I arrived in Norway, I reported to the American Embassy. I was detained for 6 weeks and subsequently I obtained the legalization of my status as a political refugee and was given the right to remain in Norway.

8. Life in Norway was extremely difficult for me, in view of the fact, that I lack the knowledge of the language and because of the scarcity of employment and housing accommodations as well as the antagonistic attitude of the people.

9. I made several attempts to come to the United States through an aunt living in Brooklyn, N. Y. On March 4, 1949, I received a passport from the Polish consul in Dublin representing the London Polish Government to which I had to apply since the Communist Government was antagonistic toward me. I was given a tourists visa for the period of 1 year.

10. On June 4, 1949, I arrived at the port of New York on the steamship *Gripsholm*. My visa was for the period of 1 year, however, it was shortened to 6 months and my present statu. in the United States is that of an illegal immigrant.

11. I presently reside at 103 Jackson Street, South River, N. J.

HENDRYK KEMPSKI,

Sworn and subscribed to before me this 31st day of January 1950.
